May 4
12:30 EST
Gettysburg, PA
Welcome to Gettysburg!

The breeder/consignors of the Gettysburg Stars and Stripes Sales Group wish a sincere welcome to friends and prospective buyers to our 12th annual sale. Barbara and I are pleased to recognize this sale as the fifteenth annual sale here at the farm and the twelfth annual sale under the leadership of DP Sales Management.

Our sale format remains the same as in previous years, that is, sale cattle will be placed in fenced but open lots here on the farm prior to sale. They will be sorted by kind, relaxed and grazing so you can view them in their natural state from noon Friday until sale time on Saturday. If you come out to the farm on Friday, May 3rd for a preview of the cattle, the sale consignors and breeders will be available throughout the day to answer any questions you might have.

If you do arrive on Friday, drop your cattle trailer in the trailer parking lot at the farm before going back into town. In any case feel free to view the animals Friday afternoon and stay for a social gathering - food and beverages - on the patio behind the house beginning at 5:00pm.

The actual sale will be held Saturday afternoon in our sale barn facility immediately adjacent to the open lots. A catered sale day lunch will be provided to you by Biggerstaff’s Catering prior to the sale sponsored by the sale consignors.

For those of you who have not been to Gettysburg before, you will find attending this sale can be a great family mini-vacation with plenty of history, antiques and other attractions to keep you busy in addition to the cattle sale.

For those of you who participate in the sale thru our arrangement with DV Auctions, we will miss your physical presence with us but certainly appreciate your interest and participation in the sale. In past years DV auctions and the Internet helped us make our cattle available to buyers across the US and up into Canada. We are fortunate to have an expert team of haulers available to move cattle quickly from the sale barn to new owners throughout North America.

We have arranged for a complimentary guided tour of the Gettysburg Battlefield on Friday afternoon leaving the sale barn at 1:00pm. The tour will last about two and one-half hours. See full tour information elsewhere in this catalog. Please call ahead (717-337-1615) to reserve your space for the battlefield tour.

You will find in this catalog reserved motel information for your stay. We highly encourage you to call and make your reservations early as this sale occurs at the start of the very busy Gettysburg tourist season.

We look forward to seeing you here.

Sincerely,

Tom and Barbara Vossler
Mountain View Farm & Stars and Stripes Sales Group
Sale Day Phones:

Air Transportation:
Closest private airport is the Gettysburg airport, 1.5 miles from the farm, capable of handling twin engine prop planes. Closest commercial airport is Baltimore-Washington International (BWI) an hour and a half from the farm.

Lunch will be served sale day by Biggerstaff Catering!
• Selling 3 embryos IVF Heifer embryos guaranteeing 1 pregnancy if work is performed by a certified embryologist.
• When good fortune and planning produces a female like this the possibilities are endless. To quote judge Jim Bloomberg “The breed needs a lot more females like this one”. Dandi’s picture says it all... Feminine, sound, stylish, big bodied, and complete. The mating of 6D’s dam with Two Step created some of the best in outcross genetics. Now on to the legendary cow family...Sheza Dandy. From it’s origin at Nichols Farms of Iowa this family has produced more high impact and heavily used genetics than any other, namely CNS Dream On! The sire of this mating of (3) IVF embryos, CDI Innovator, has proven to produce sound, practical, genetically superior progeny with ‘the Look’. His first progeny were shown in Louisville and Denver to be both winners and high sellers.

CLO LTS Entourage 72T
WAR Diva M704
W/C BF Innocent Man
DRD Miss Tizzie

- What a sweetheart of a 2 yr. old Heifer calf pair. Phenotypically and genetically this is clearly a pair to represent the quality typically offered at the Stars & Stripes sale. Essense brings moderation, broodiness, structure, and mild disposition to the table. She stems from one of the most consistent, prolific cow families of the breed... Sheza Dandy. The Simmental breed is fortunate to have several great cow families but few have been able to establish their legacy over the course of two decades and counting. To add value Essense is double bred to Sheza Dandy also through her sire National Champ, Entourage, this insures consistency. An added benefit is the calving ease influence of the acclaimed Werning program from W/C Innocent Man. Red Essense sells with a sharp Heifer calf.
- consignor: CLO Simmentals

Miss Werning 694S
HART Black Oasis F301

WAR Diva M704
JBH Sheza Dandy

- There is “power in the blood” with Allure being an own daughter of the legendary WAR Diva M704. To make her even more unique she is the only sister in this outstanding maternal tribe sired by W/C Wide Track 694Y. Allure is noted for producing several high performing progeny. In her show career she was always one ‘to reckon with’ having been division champ at the KILE in Harrisburg, PA. Phenotypically you will admire her femininity, clean lines, sound structure, length, and dimension. In the prime of her productive life Allure may well be the last Diva daughter we offer at public auction. To address the statement of ‘power in the blood’ you may remember some of her notable siblings: Radience, Entourage, MoCo, and Shania... all National Champions! Allure sells with a stylish bull calf.
- consignor: CLO Simmentals
Too Cool is a young bred heifer that would be a substantial genetic addition to anyone’s herd. Her dam, Lazy H Too Cool Y220 is one of our donor cows. This genetic match up with Remington Lock N Load 54U is one to pay attention to. This cow family has been very successful for us and is only getting better with time. With several of this donor dam’s progeny in our herd, we are willing to offer this quality bred heifer. Too Cool is a long necked, stylish female, with plenty of middle to her. Don’t be afraid to invest in something that will guarantee your money back. Bred to Uno Mas a proven calving ease bull, safe in calf, due September 25, 2019. Hillcrest Farm is BQA certified and the heifer if BVD tested negative.

- bred AI to WLE Uno Mas X549, ASA#2532016 on 12/15/18
- consignor: Hillcrest Farm

Welcome to the 12th Annual... Stars & Stripes in Gettysburg, Pennsylvania. This group of Simmental breeders have a long standing tradition of producing and marketing exceptional genetics, and making them available to buyers. Several of the members of this sale have been involved in this sale since its inception, and will continue to be for years to come. Special thanks to those founding members Jeanie White, Cliff Orley and Tom and Barbara Vossler. Remember many of the members of the sale group are involved in their state association, the Pa Cattlemens Association, Pa Bull Test, and the Keystone show, junior shows and many other events in their area and in other states as well.

Though the group might be small in total herd numbers, that does not stop the high quality genetics that are offered at the Stars and Stripes. There are notable cow families, and genetics have gone to operations across the United States and Canada with much success. Over the year’s the Stars and Stripes has earned the respect of breeders across the country because cattle no matter what there purchase price have added value and pasted on a true benefit to many seed stock operations of all sizes.

This is definitely a sale that is a great family friendly event. The tour on Friday is the better than any history lesson you will receive out of a book, and the hospitality from the group is always great. We invite you and your family to take the trip to Gettysburg to be with us. If you can’t be with us, we will be utilizing DV Auction, and will have trucking available for your purchases. The group of consignors are always proud of their offering, so do not hesitate to contact them with any questions you might have at this time or sale week. We hope to celebrate the 12th Annual Stars and Stripes Sale with you the first Saturday in May. We salute them and invite and welcome any new or interested individuals to attend the Stars and Stripes sale. You will be amazed by the quality, commitment, hospitality and enthusiasm.
We purchased "Trendy" from SVJ out of 'The Social' sale a few years back. She has influenced our herd heavily as we raised her first bull calf, PCSC Trend Maker 4D, and used him extensively in our program. Trendy is perfectly designed, ideal in her pattern, soft and long in her movement, elegant through her front 1/3rd, perfect uddered and everybody's favorite. Unfortunately, due to no fault of her own, we heartbreakingly lost her TKCC Classified heifer calf at just a day old last fall. We decided to let our purebred Angus SAV Brilliance son get her bred right back. She's the front pasture kind, donor pen ready, genetic masterpiece that everybody will find on sale day. Sells bred to PCSC Brilliance 24D AAA #18892767 due 10/1/19. Trendy is the granddam to lot 27, GRTF Cheyenne's Trend 22F.

If you are looking for a top notch female that has the look and over all complete profile look up special lady on sale day. This female is well balanced smooth and correct in her make up. Her dam SVJ Stylish One has produced many winners. She is one of the most predictable cows in the breed. This one will make an excellent show heifer and then become a cow and add growth and performance to your program.

**consignor:** SVJ Farm
Definitely a future donor prospect. Her dam, a daughter of SVJ Stylish One was grand champion at the PA Farm show 2018. E106 has the look of her dam, clean fronted, deep bodied and moves with ease. She carries a 122 API, great numbered. She is bred to Data Breach the Triple Crown Grand Champion bull at the North American, American Royal and the National Western. The catalyst genetics thru CCF Vision gives growth, performance, eye appeal. Front pasture quality. At bred to Data Breach due 9-10-19

bred AI to Data Breach, ASA#3290447 on 12/2/18, due 9/10/19

- This young female has deep rooted genetics that have been sound for generations going back to the prominent MVS Maximus and SRS Fortune 500. This heifer is a granddaughter of the very first Simmental female we purchased in 2007 at this Gettysburg Sale, MVS Emmas Lillie. Emma was on foundation cow we started our herd of Simmental cattle with. Fruit Cake is a long sided, sound moving feminine female whose genetic potential is endless. This cow’s family’s consistency remains amongst many females we have in our herd. This is your chance to get a piece of these sound genetics. Hillcrest Farm is BQA certified and the heifer is BVD test negative.
- consignor: Hillcrest Farm
• Named for the Norse goddess of love and beauty, we could have called this heifer ‘beauty’ for that is what she is. She got a good start with an adjusted birth-weight of 71 pounds but has grown rapidly to a yearling weight of 963 pounds - a real beauty. Freya ranks in the top 15% nationally for Calving Ease and Birth Weight EPDs. Freya is 3/4 Simmental and 1/4 Angus and sells open and ready to breed at buyer’s discretion. Freya was born and raised at Mountain View Farm under BQA standards. She tested negative for BVD/PI. No exposure to bulls.

- **consignor:** Mountain View Farm

---

• A couple of days after this calf was born, Barbara watched her walk with her dam and commented: “Oh, isn’t she fancy!” So ‘Fancy’ she is. Adjusted birth weight was 77 pounds; adjusted Yearling Weight is 980 pounds. She ranks in the top 5% for Birth Weight and top 10% for Calving Ease EPDs. Fancy is 3/4 Simmental and 1/4 Angus and sells open and ready to breed at buyers discretion. Born and raised at Mountain View Farm under BQA standards. Tested negative for BVD/PI. No exposure to bulls.

I have been faced with much family aversion and heartache for selling this one. I have committed to bringing my very best to the 2019 Stars and Stripes Sale and here she is! An absolute ground pounder and probably the best purebred I have ever raised...Miss Belief is out of the best percentage cow we have at our place. This blaze face is MASSIVE in her design, huge in her foot and bone work, monster bellied, yet long and lean through her head and neck. She is a game changer and one that will put you on the map...did I mention she's a sweetheart on top of it? Banner ready and donor worthy get in early and often on this one. Seller retains the right to one flush at the seller’s expense and buyer’s convenience.

Consignor: Pine Creek Show Cattle

---

LBF Ms Francine is a clean fronted feminine solid black heifer. She has a moderate frame with adequate muscle. She is structurally correct with ample capacity and spring of rib. She has an API of 134.

Consignor: Ladybug Farm

---

Mountain View Farm is located in the antique capital of the nation centered in Adams and Lancaster counties. The nearby Gettysburg Outlet Mall offers shopping at numerous famous brand stores.
• Precious 59F is a female that will make a big impact in both the show ring and your pasture. My 11 year old son showed her this winter and she was Grand Champion bred and owned at the 2019 PA State Farm show. Her sire is a Steel Force son that produces the right kind of cattle and has produced many champions for us. Her dam is one of the top young cows in our program with an outcross pedigree. We are excited to see what she will continue to produce. We feel the same about Precious, with her being so clean fronted, big bodied and stout hipped along with a pedigree that leaves endless breeding possibilities, the future is extremely bright for this young female!! Get in on the ground floor of this cow family with a very bright future.

• consignor: Stewart's Simmental Cattle

---

• 807F Hope is one that is easy on the eyes because of her exceptional profile and how sound made she is. Backed by a delightful cow that never misses in her progeny whether bulls or females, her offspring rise to the top of the contemporary. A full brother to her is the 2019 high indexing percentage bull at the Penn State bull test with a ADG of 5.43.

- This blaze-faced June baby has been my favorite since day one. She is out of one of the best red cows my Dad has ever produced and is the granddaughter of lot 8, SVJ Trendy One B19. Style for days, perfect foot, bone and leg structure. She is great hipped, sappy belled and has an absolute perfect neck to shoulder juncture. This one has all the parts to run hard in the show ring and keep it going right to your donor lineup.

• 710F is a sire by a full brother to Shell Shocked. This is a cow family with a great extended pedigree on both sides on the family tree. Of course, Shell Shocked has continued to do a great job for KenCo and Fenton Farms and others are utilizing him as well. He is a blady that is in the top 1% for CE. 710F is sired by the 2014 Denver champion and backed by Combustible, Milestone and WHF Trucker. 710F is cool fronted and big middled and will be a money maker for years to come.

• Juniors, if you are looking for a heifer to show at Eastern Regionals this year, and be able to show her next year also, check out Faith. Not only is she fancy, thick, and sound, she also has a disposition that everyone will love. The consistency of this cow family will be apparent when you see how similar Faith is to her maternal sister who sold in last year’s sale to John McMillen. Whether you are looking for a show heifer, or a top quality cow, PVSM Leap of Faith will work for you. BVD-PI negative. Homozygous black and homozygous polled

• **consignor:** Powell’s Valley Simmentals
• We promised to bring our best to this sale but it’s hard to let go of this jewel. “Penny’s” dam, Worth it all, was Reserve state champion in Maine for Matt Thurston and Grand Champion SimAngus at the 2018 PA Simmental field day. Her younger sister was crowned Grand Champion at Eastern Regionals last year. Breeding her to a red bull, CDI Rimrock, really paid off! Penny even has small white lines on her forehead that are very unique. We think she has a very bright future ahead of her to say the least! Come get a look at her in person before the sale as she is very young and will have changed a lot from this picture! Halter Broke.

- If you are looking for a show heifer with a little extra chrome, here she is! Secret is a perfect example of why we absolutely love our Tradecraft calves. She is a smooth made, sound moving heifer with plenty of power. Secret’s pedigree is stacked with maternal power—she is out of a Silveiras Style cow, and goes back to the famous Right to Love cow on her sire’s side. Be sure to check out one of the first Tradecraft heifers to sell—PVSM Trade Secret. BVD-PI negative. Homozygous polled.

• consignor: Powell’s Valley Simmentals
• This perfect black blaze-faced fall calf is the second calf out of a Fat Butt female that we purchased from the Bertrand Family in the 2017 Stars and Stripes sale. She is huge middle, great structured, big hipped, big topped, and soft made. An awesome show prospect for the next two seasons and one that is going to make an absolute perfect mamma cow. Sired by my IRCC All Right bull who has many high sellers to his credit…My All Right daughters have been dominant in the show ring and are my favorite group of complete and ideal cows.

• consignor: Pine Creek Show Cattle

• Fortunately, I had two heifers born out of the embryo’s purchased from Laurie Meyers, Powel Valley, so I am able to share these great genetics. The combination of “Brightie” and Executive Order produced a super clean fronted, bold ribbed, blazed face black beauty. She should bring home a lot of purple banners. A video will be available. BVD-PI Neg. BOA certified.

• consignor: Simme Valley

• Here’s a cherry red open heifer out of the ever so popular Quantum Leap bull that has been at the top of our radar since hitting the ground last fall at Hillcrest Farm. Out of one of our most productive and reliable cow families, this bloodline rarely misses. And boy I would say she didn’t miss on this one, built from the ground up as a powerhouse with tons of show potential backed by plenty of proven cow potential. Don’t be shy on this one come sale day, she’s show broke and ready to get some miles underneath her.

• Selling three embryos guarantee one pregnancy if work is performed by a certified embryologist. Profit Conventional Embryos, WLE Copacetic Conventional Embryos, and Colburn-Primo Sexed Heifer Plus.

• Rare Opportunity Here! Embryos available from the flushmate sister to the $87,000 top seller of the historic dispersal at Hudson Pines Farm, NY, this proven donor is the trusted product of a great cow family. Her full sister, Alley 247Y was the 2013 National Western Grand Champion Simmental Female and her success in the HPF breeding program is well documented with a lifetime progeny well in excess of $10,000 per head. The 2018 Denver One Sale featured a $37,500 daughter by Duracell selling to Denning Farms, IA, and previous progeny include a $32,000 daughter to Tylderton, TN, a $22,000 daughter to Ivie & Sons, TN, a $28,000 daughter to Kydie Jo Smith, OK, a $26,000 daughter to Sullivan Farms, IA, and an $11,000 daughter to Haley Farms. Additionally, in the dispersal where Alley was the Lot 1 feature, another daughter by SAV Brilliance sold for $35,000 to Pine Creek/Hafner/Schick, IL. This mating to the ultra rare Profit, that semen is valued over $500/straw, will sure be a homerun for the new buyer. Buy this mating with pure confidence! Power in the blood. Call Dr Josh Winslow for details. Ready for immediate shipment.

• consignor: Full Circle Farms
Selling three embryos guarantee one pregnancy if work is performed by a certified embryologist.

We love our red cattle and Pebbles is the top of our list, being out of the deceased Built Right and the HPF donor Perfection. She has a loaded pedigree. She is thick butted, wide topped and good fronted. We think a lot of Tradecraft, the $15,000 bull at the HPF dispersal going to Greg Stewart. No doubt this is going to a hit. You are guaranteed to have some fancy reds.

**Consignor:** Green Ridge Simmental

Selling three embryos guaranteeing one pregnancy from HPF Quantum Leap Z952, Mr CCF 20-20 or SC Pay The Price C11 if work is performed by a certified embryologist.

We are happy to offer some embryos out of our lead donor Victoria Secret. This donor was a past sale topper and was liked by many that day however we are happy we made the investment in such a powerhouse. It looks like her full brother Shell Shocked is doing a good job out in the industry and for his owners KenCo and Fenton Farms. We have several daughters out of Victoria Secret and all of them shows loads of promise. All the sires represented are some of the breeds best. Take your pick or buy all nine eggs. They sell with the proper guarantees.

- Here is a fall bred grand fortune daughter. This baldy female is striking from all angles. She goes back to the beauty cow that Stewart’s have had much success with. 711E is one I hate to see leave especially when she has that Deplorabull calf this fall.
- bred AI to Deplorabull, ASA#3544920 on 12/14/18
- consignor: Palmer Cattle Company
• Here is another great one out of Executive Order. Our Executive Order son won this year’s Simmental performance PA bull test at 4.26 lbs per day. Her dam W4 out of TC Lizzie S83l was grand champion of the North American junior and open show. The Triple C program was one of the best and their genetics are still going strong. These are great foundation genetics that every breeder should have. AI bred to Innovator for a 9-10-19 calf.
  • bred AI to Innovator, ASA#3152448 on 12/2/18, due 9/10/19
  • consignor: SVJ Farm

• LBF Fancy Girl is a growthy fall heifer bred to Prime Beef. She has excellent length with style and femininity all wrapped up in a nice package. She has the ability to transmit growth in a moderate package.
  • bred AI to Prime Beef, ASA#2370545 on 12/18/18
  • consignor: Ladybug Farm

• Jewel is a deep-bodied, thick, easy keeping heifer with a wonderful disposition. Longevity is bred into this cow family, with her grandam still active in our herd at 17 years old. Combining the genetics of Optimizer and Explorer really clicked, and we are looking forward to seeing Jewel develop into a powerful cow. PVSM Jewel Bug is AI bred to the hot, new calving-ease sire Koch Big Timber 685D, and is due 11-20-19 with a 3/4 Simmental calf. BVD-PI negative. Homozygous black and homozygous polled.
  • bred AI to Koch Big Timber 685D, ASA#3133113 on 2/6/19
  • consignor: Powell’s Valley Simmentals

• LBF Simplicity is a powerhouse female. She has the genetic credentials to be an outstanding cow. She is thick made and big topped with a powerful hip. She has an API of 133.7
  • bred AI to CCR Boulder, ASA#2880390 on 1/13/19
  • consignor: Ladybug Farm
• A nicely developed black heifer sired by MVS Maximus. See footnote for our E12 bull for information on Maximus. Elinor is bred by our junior herd sire, a son of CCR Cowboy Cut 5048Z. A great combination. Resulting calf is due mid-December 2019. Safe in calf with no other exposures. Elinor was born and raised at Mountain View Farm under BQA standards. Tested negative for BVD/PI.

- naturally serviced to MVS Egan E8, ASA#3335357 on 3/4/19
- pasture exposed to MVS Egan E8, ASA#3335357 from 3/3/19 to 3/7/19

• Here is a very eye appealing daughter of the great female maker, SS Goldmine. And to make it even better, her maternal grand sire is another bull known for his exceptional daughters, HC Power Drive. She is due to calve shortly after the sale to the RED hot HPF Tradecraft D010. This will tie another great bull and cow family into the calf’s pedigree.

- bred AI to HPF Tradecraft D010, ASA#3124189 on 9/2/18
- consignor: Stewart’s Simmental Cattle
• Callie Rae is a young blazed faced female backed by proven genetics. She is above average weaning weight, yearling weight, and total API EPDs proven by her pedigree, and is sired by Remington Lock N Load 54U and out of the famed HPF Desa Rae U347. She is bred to the popular Mr HOC Broker, who has produced many time Champions in the show ring. Take this young cow home to calve out and produce a genetic powerhouse with show potential. Bred on 3/5/2019 Safe in Calf, Due 12/14/2019. Hillcrest Farm is BQA certified and this cow is BVD tested negative.

• With legends like Dream On, Beef Maker, Shear Force, Power Drive, Dominance and 600U in her veins, Evelyn is easy to love. We selected Evelyn’s mama out of the 2017 Stars & Stripes Sale for her femininity, lovely stride, beautiful udder and easy-going disposition. As they say, the apple doesn’t fall far from the tree; although, Evelyn offers a bit more pizzazz in her design. With CCR Wide Range making a name for himself, having already sired a few champions, it was an easy choice to AI Evelyn to him.

- **bred AI** to CCR Wide Range 9005A, ASA#2725666 on 6/14/18

As we know many breeders and cattle people look for different things in an animal. Ellie E9 has something that is hard to get in all animals. E9 is super feminine and super long necked. If Ellie can pass this on to some of her future offspring then the new owner will be rewarded time and time again. Ellie has a heifer calf at side born 3/30/19 sired by our herd sire CWSF Diesel ASA#3456366. He is Two Step out of SVF Sheza Star S800.

Here’s a 1/2 blood that’ll fit anyone’s program. Big ribbed, big footed with adequate bone and a beautiful front end. She is very friendly, calm and broke to lead. Coming with a really nice Pays to Believe heifer calf at side. Take this pair home on sale day and reap the rewards.

**61A** 1/14/19  •  Heifer  •  BW: 85  •  Tattoo: GD74  •  Sire: Pays to Believe  
- consignor: Elm Side Farm

This cow is a daughter of Stephanie’s first Simmental show heifer, MVS Lucilla. A beautiful red cow who is one of our foundation cows. Lucilla has given us heifers every time she calves and so has her daughter, Destiny. Destiny is a maternal female, sound made raising her second heifer calf. The feminine heifer calf’s growth at her side shows how well she does raising calves. This young Uno Mas heifer calf has a bright future ahead. This pair is an eye appealing package backed by proven genetics. Don’t miss this pair and bred back on sale day! She was bred on 2/17/2019 to WLE Big Deal A617, Due to calf 11/28/19. Hillcrest Farm is BQA certified and this Cow and calf are BVD test negative.

Time to Shine is a Tremendous young cow in the prime of her life. She goes back to one of the best cow families we have ever had. Time to Shine has all the right pieces to make a major impact in your herd and others (if you are willing to part with her offspring). She is pretty fronted, big bodied, stout hipped and standing on a good set of feet and legs. With it being so muddy this spring we were unable to get her pictured and that really disappointed us. She is a female you need to see in person. If you are unable to make it to the sale be sure to get a hold of Doug, Drew or Dalton and/or check out her video we hope to make closer to sale time. And to add icing on the cake with this cow be sure to check out her heifer calf and ask about her too. She is sired by the Popular Shell Shocked. She has all the same pieces as her mother plus the ever popular blaze face. We have sold many high quality calves at the side of their dams here over the years but we feel this heifer calf may be the best yet!! Time to Shine is doing just that and we feel she will continue to over many years for her new owners so we would like to retain one future flush with a minimum of 6 transferable embryos at our expense and the new owners convenience. Please feel free to call if you have any questions or we can be of any convenience on any of our lots.

Here is a solid cow backed by Built Right and Net Worth to add to your front pasture. This cow is complete being big footed, huge middled, good fronted, great uddered and a baldy to boot. Her sire, All Right is doing a great job for Pine Creek Show Cattle. They have sold multiple full sibs to this cow that have not disappointed their owners. In last year’s sale a full sib went on to be champion at the Big East. Her calf is by a full brother to Shell Shocked and is a red baldy this is a knockout. We feel this is a money making opportunity.

66 A GS1 Royal Fire F322
• 3/22/19 • ASA# 3548130 • Heifer • BW: 87 • Tattoo: G322 • Sire: SSC Mr. Weapon 55D, ASA#3548130 • consignor: Green River Simmentals

This is not the first time a family member of this cow has been to the Stars and Stripes. For the breeders looking for pedigrees then study all the family members. C6 is backed by Power Drive, Fortune 500, Black Magic and G and L Savannah. This baldie Two Step is a good one and so is her fall heifer at side by CWSF Cole our Entourage out of Lazy H Glory. This sale is known for its great pairs and this one will make a mark.

67 A GRSM Royal Fire F322 • 3/22/19 • ASA# 3548130 • Heifer • BW: 87 • Tattoo: G322 • Sire: SSC Mr. Weapon 55D, ASA#3548130 • consignor: Green River Simmentals

C9 is a young cow with a herd bull prospect at her side by Shell Shocked just born in March. Cassady is daughter of the past champion Capt American. Don’t miss these young pairs. Calf born 3/20/19 tattoo G3 sire Shell Shocked, ASA#2880060

68 A 3/20/19 • Bull • Tattoo: G3 • Sire: SSC Shell Shocked 44B, ASA#2880060 • consignor: Curry Wagner Simmental Farm

We are proud of this year’s offering and our goal is to keep improving each year. Bristol is easy to like with her overall stoutness and functionality. This Entourage cow is deep, bold sprung and stout. This kind we like to keep in the herd however we know these are well liked and sell well. If you want some proof look at the striking baldie heifer calf at side. B34 was bred on 1/4/19 to CWSF Cole C33, ASA# 3131086.

- **bred AI** to CWSF Cole C33, ASA# 3131086 on 1/4/19

“Trippy” is a beautiful young blaze-faced cow. I have 7 or 8 Fat Butt daughters in my herd and they are all absolutely great mamma cows and Trippy is no exception. Perfect uddered, heavy milking, ideal in her type and kind, an overall solid donor prospect. She has already had two high selling calves for me and her February 14th heifer calf sired by JASS On The Mark is her best one yet. This baby is proving herself to be my best 2019 heifer calf so far this year. Trippy is very friendly and an overall complete Simmental female that will be sure to turn your head on sale day. She sells with heifer calf at side born 2/14/19 sired by JASS On The Mark. Will be bred back by sale day.

- **bred AI** to TKCC Classified, ASA#3028710 on 3/29/19

The Joy Cattle have made their mark in the Simmental industry winning the purple in Denver many times. This Dream On female and the power of Power Drive have been the backbone of the Simmental breed. We are fortunate enough to have several of these proven cows in our herd. Here is an opportunity to take advantage of our established breeding program and share in the success of these genetics. Bred to SVJ Black Star B20 who was reserve champion at Keystone and reserve division at the North American. He is producing those baldies that catch peoples eye! Bred to calve before sale time.

71A   Due 4/25/19   Sire: SVJ Black Star B20, ASA#2932466
     consignor: SVJ Farm

• Truly foundation breeding stock. This baldie goes back to our first Ohio State Fair grand champion female. We sold a high selling baldie in the previous stars and stripes sale. She is very quiet and easy keeping. Bred to calve April 30 to our new senior herd sire SVJ Black Star B20. This baldie bull was reserve grand champion at Keystone International and reserve division in Denver. His first calves impressed us so much that we used him heavily on our AI herd for clean-up. Proven cattle like her don’t come along that often. One of the most important traits in the cattle business is longevity. W30 is producing the great one’s year after year.

72A   Due 4/25/19   Sire: SVJ Black Star B20, ASA#2932466
     consignor: SVJ Farm

Mountain View Farm is located about one hour from Hershey, PA – Chocolate Town USA. Tours of the factory and surrounding attractions are open year around.
• Red purebred bull ready to go to work. Semen tested. Adjusted Yearling Weight was 1,229 pounds, weight on March 22nd was 1,615 pounds. Ranks in top 2% nationally for All Purpose Index and Terminal Index EPDs; top 10% for Carcass Weight; and top 25% for Birth Weight, Weaning Weight, and Yearling Weight EPDs. His dam is of the same highly productive cow family as the E12 bull in this sale. He is a full sib to our Lot #36 bred heifer which sold in this sale last year for $4,200. Born and raised here at Mountain View Farm under BQA standards. Tested negative for BVD/PI.
  - consignor: Mountain View Farm

• A red Maximus son ready to go to work. Semen tested. Adjusted Yearling Weight 1,205 pounds; his weight on March 22nd was 1,595 pounds. Maximus, a black bull carrying a red color gene, was the 2009 National Grand Champion Simmental bull. He is still with us and still an active breeder at 12 years of age - shows longevity and stay-ability. The red dam is the matriarch on one of our most productive cow families. Dauntless was born and raised at Mountain View Farm under BQA standards and tested negative for BVD/PI.
  - consignor: Mountain View Farm

  - consignor: Mountain View Farm
GETTYSBURG. A name widely known in U.S. and world history. Early in the third year of the American Civil War, 90,000 Northern soldiers, 70,000 Southern soldiers, 72,000 horses and mules, over 600 cannon, met in mortal combat in three days of battle. This was the largest battle ever conducted on the North American continent. The battle was conducted over 6,000 acres of approximately 38 separate farms surrounding the town of Gettysburg.

Mountain View Farm, host farm for the Gettysburg Stars and Stripes Sale, sits less than two miles from the battlefield. The Stars and Stripes Sales Group is pleased to once again offer a complimentary tour of the Gettysburg Battlefield as part of this year’s sale.

The tour leaders this year will be retired Penn State University professor Dr. Carol Reardon and Tom Vossler, retired Army Colonel and Mountain View Farm owner/breeder. Carol and Tom are military historians who specialize in history of the American Civil War. In 2013 their multiple award winning book on the Battle at Gettysburg entitled A Field Guide to Gettysburg was published by the University of North Carolina Press. A second edition of the book was published in 2017.

The tour Carol and Tom will lead will include a lot of what is in their book in regard to the farms over which the battle is fought and they will tell the stories of the farm families who suffered so much during and after the battle. The tour will also include visits to the state memorials of Virginia, North Carolina, Maryland, Pennsylvania and New York.

To reserve your space(s) on this popular battlefield tour, call Tom or Barbara Vossler at 717-337-1615. If no answer to your call, leave a voice mail with your name and headcount for the tour, or E-Mail Tom at tvossler@comcast.net . The tour will depart the sale barn on Friday, May 3rd at 1:00 pm and will last about two and one-half hours giving you plenty of time to view the cattle prior to the social hour at the farm house at 5:00 pm.

Sale Terms and Conditions:
All buyer numbers will only be issued with a valid ID and payment is due day of sale. DP Sales Management would appreciate timely settlement of receivables within 15 days of date of sale. Any person not complying with that guideline will be pursued legally. DP Sales accepts Visa/Mastercard. Cattle will not be transferred until paid for in full. Cattle will sell under Suggested Sale Terms and Conditions of the American Simmental Association. For updated terms and details go to www.simmental.org.

Announcements:
Announcements made sale day from the auction block during the sale take precedence over printed material associated with this sale. Anyone attending this sale attends at his or her own risk, neither sale management nor Mountain View Farm assume liability for accidents or loss of property. DP Sales Management is only an agent for the seller and has no responsibilities other than those involved in conducting the sale. Mountain View Farm is BQA certified and certified Johnnes free herd.

Sexed Heifer Semen:
Sexed semen is not 100% accurate, therefore Gettysburg Stars & Stripes consignors can not guarantee gender of resulting calves.

EPDs:
Please note the EPDs may change from the time the sale catalog is printed until registration papers are transferred. EPDs listed are the new Spring 2019 numbers.

Directions to Sale Site:
From the North, South or West, take the I-81 exit for Route 30 East at Chambersburg toward Gettysburg. After crossing over South Mountain, look for road signs directing you to “Land of Little Horses” and “KOA Campground”. These signs will alert you to the right hand turn from Route 30 onto Knoxlyn Road. After making the turn onto Knoxlyn Road, our farm lane entrance will be 1.4 miles on the right. Vehicles with trailers please take the second entrance and follow signs to the trailer parking area.

From the North, South or East, take Route 30 West from Route 15 thru the town of Gettysburg. Three miles on Route 30 West from the Gettysburg town square (traffic circle), you will make a left hand turn onto Knoxlyn Road. Road signs for “Land of Little Horses” and “KOA Campground” will alert you to the turn. After making the turn onto Knoxlyn Road, our farm lane entrance will be 1.4 miles on the right. Vehicles with trailers please take the second entrance and follow signs to the trailer parking area.
